

We're hiring!

We're looking for a **production operator** to join our team in our factory in Hamilton. As a production operator you will be responsible for producing the highest quality of ice cream in using one of Scotland's most famous top secret food recipes. Once firmly established in this role, there is the opportunity to become an ice cream technician creating bespoke artisan products.

Essential skills

- Team player
- Attention to detail
- Physically fit - job will involve a degree of manual lifting and carrying goods

Desirable

- Basic/Intermediate Food Hygiene Certification
- Experience working with top quality food products

Working hours

Sunday – Thursday 0800 – 1700 (although flexibility would be essential)

To apply please email your CV and cover letter to jobs@equi-icecream.co.uk
